# Agenda

## *Orden del Día*

- I. Welcome & Updates
- II. Proposed New Rule (67.26) Commercial Charbroiling Operations
- III. TJR V Update: Hydrogen Sulfide Monitoring Dashboard
- IV. TJR V Update: Air Purifiers Program
- V. Participatory Budgeting Framework and Prioritizing Incentive Funding Outreach
- VI. Public Comments
- VII. Closing Remarks
- VIII. Adjourn

- I. Bienvenida y Actualizaciones*
- II. Nueva Regla Propuesta (67.26) Operaciones de Asadores Comercial*
- III. Actualización del Valle Rio Tijuana: Tablero de Monitoreo del Sulfuro de Hidrógeno*
- IV. Actualización del Valle Rio Tijuana: Programa de Purificadores del Aire*
- V. Proceso de Presupuesto Participativo y Priorización de la Difusión de Incentivos*
- VI. Comentarios del Público*
- VII. Comentarios de Clausura*
- VIII. Clausura de la Reunión*

# Proposed New Rule (67.26) Commercial Charbroiling Operations

*Nueva Regla Propuesta (67.26) Operaciones de Asadores Comercial*

# TJRV Update: Hydrogen Sulfide Monitoring Dashboard

*Actualización del Valle Rio Tijuana: Tablero de Monitoreo  
del Sulfuro de Hidrógeno*

## Tijuana River Valley

SDAPCD is responsible for monitoring air quality in San Diego County and regulating stationary sources of air pollution to meet federal and state air quality standards, laws, and regulations. This page is dedicated to providing the actions being taken by the San Diego County Air Pollution Control District (SDAPCD) regarding the odors impacting South Bay residents.

Background

Air Quality Monitoring

Odor Investigations

# Emergency Alerts & Odor Advisories// Alertas de emergencia y avisos de olores

- Odor Advisories will be issued to inform the public if H<sub>2</sub>S levels reach or exceed the orange threshold (30 ppB)
- Advisories will be posted on SDAPCD website, social media and will be disseminated through our email subscription service
- SDAPCD will also share advisories with partner organizations in the community to amplify our reach
- *Se emitirán avisos de olor para informar al público si los niveles de H<sub>2</sub>S alcanzan o superan el umbral naranja (30 ppB)*
- *Los avisos se publicarán en el sitio web de SDAPCD, en las redes sociales y se difundirán a través de nuestro servicio de suscripción por correo electrónico*
- *SDAPCD también compartirá avisos con organizaciones asociadas en la comunidad para amplificar nuestro alcance*

Measurement at Community Monitor (1-Hour Avg.)	What to Expect	Recommendations
Green 0 parts per billion (ppB) to 4.9 ppB	Most people will not smell an odor or experience odor-related symptoms.  SDAPCD will continue to monitor H <sub>2</sub> S levels and post them on the <a href="#">Tijuana River Valley website</a> .	<ul style="list-style-type: none"> <li>• No recommendations.</li> </ul>
Yellow 5 ppB to 29.9 ppB	Some sensitive groups may smell an odor and experience odor related symptoms such as headaches, nausea, or respiratory discomfort.  SDAPCD will continue to monitor H <sub>2</sub> S levels and post them on the <a href="#">Tijuana River Valley website</a> .	<ul style="list-style-type: none"> <li>• Limit outdoor activities if you smell odor that is bothersome.</li> </ul>
Orange 30 ppB or higher	Many people will smell an odor and/or experience odor-related symptoms.  SDAPCD will continue to monitor H <sub>2</sub> S levels and post them on the <a href="#">Tijuana River Valley website</a> . SDAPCD will also release an 'Odor Advisory' on the Tijuana River Valley website.  Odor Advisory messaging will be shared through social media. <sup>§</sup> SDAPCD <a href="#">email subscription service</a> , and through partner agencies and organizations, including schools and community-based organizations.  <i>For levels 200 ppB or higher, SDAPCD will activate multiagency review to develop additional public recommendations if needed.</i>  <sup>¶</sup> Find @SDAPCD on X, Facebook, and Instagram	<ul style="list-style-type: none"> <li>• Limit outdoor activities if you smell odor that is bothersome.</li> <li>• Keep doors and windows closed to prevent odor from coming indoors. Air out your home or building when odor is not present (by opening doors and windows, for example).</li> <li>• For indoor air quality, use air conditioning if available (or a central/portable heating, ventilation, and air conditioning (HVAC) system) and/or indoor air purifiers. Filters (high efficiency particulate air (HEPA) filter, for example) with activated charcoal (plus potassium permanganate, if available) are recommended.</li> <li>• If possible, businesses should run the HVAC system for 1-2 hours before business hours.</li> <li>• People with asthma, chronic obstructive pulmonary disease (COPD), or other chronic lung conditions should have their rescue medication(s) readily available.</li> <li>• If symptoms from strong odor persists, are worrisome, or worse, seek medical care.</li> </ul> <p><u>Additional recommendations for schools</u></p> <ul style="list-style-type: none"> <li>• Limit outdoor activities for students and/or move outdoor activities inside.</li> <li>• Consider portable HEPA filters with activated charcoal (plus potassium permanganate, if available) for buildings without HVAC systems.</li> <li>• Have rescue medication(s) readily available on hand and/or at school offices for students with asthma.</li> <li>• Advise parents who have children with respiratory or heart conditions to talk to their family doctor.</li> <li>• Watch for symptoms and seek medical care if symptoms persist or worsen.</li> </ul>
Purple More than 27,000 ppB	Many people could experience serious, lasting adverse health effects.  <i>First responders will evaluate for safety and potential shelter in place or evacuation order.*</i>	<ul style="list-style-type: none"> <li>• Await further instructions from First Responders through <a href="#">Alert San Diego</a>.</li> </ul>

# TJRV Update: Air Purifiers Program

*Actualización del Valle Rio Tijuana: Programa de Purificadores del Aire*

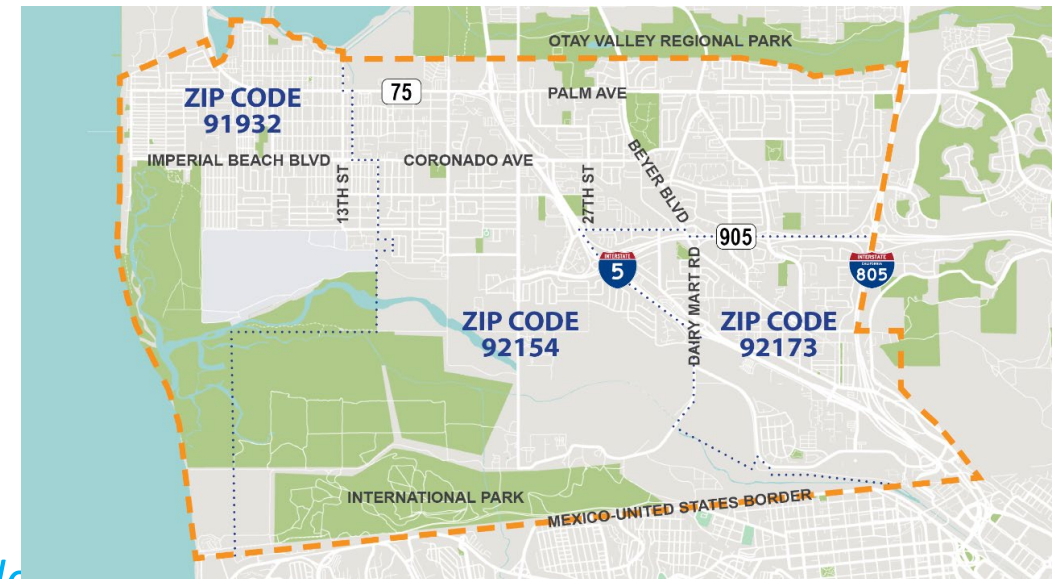

# Air Purifier Program Funding// **Financiamiento del Programa de Purificadores de Aire**

- Identified over \$2.9 million to purchase air purifiers for Tijuana River Valley Air Improvement Relief Effort (AIRE) to purchase  $\geq 10,000$  air purifiers
- Funding Sources Include:
  - \$2.7 million in CARB AB 617 interest earnings
  - \$160,000 in retained EPA Funding
  - \$50,000 from County of San Diego
- *Identificó más de \$2.9 millones para comprar purificadores de aire para el Esfuerzo de Alivio de Mejoramiento del Aire del Valle del Río Tijuana (AIRE) para comprar > 10,000 purificadores de aire*
- *Las fuentes de financiación incluyen:*
  - *\$2.7 millones en ganancias por intereses de CARB AB 617*
  - *\$160,000 en fondos retenidos de la EPA*
  - *\$50,000 del Condado de San Diego*

# Air Purifier Program Eligibility// Elegibilidad para el programa de purificadores de aire

- Eligibility criteria includes households:
  - within County identified boundaries
  - with a child attending a partnering school located within the boundary
- One purifier per household with address verification
- Online registration system in development
- *Los criterios de elegibilidad incluyen hogares:*
  - *dentro de los límites identificados por el condado*
  - *con un niño que asiste a una escuela asociada ubicada dentro de la zona fronteriza*
- *Un purificador por hogar con verificación de dirección*
- *Sistema de registro en línea en desarrollo*

# Air Purifier Distribution// Distribución de purificadores de aire

- Two-Tier Prioritization Approach
- Community Partners serving Vulnerable Populations
  - Children, Seniors, Health Conditions
- Public Distribution Events
  - Children, Seniors, Proximity to Wastewater Flows
- Community volunteers needed! 😊
- *Enfoque de priorización de dos niveles*
- *Socios comunitarios que atienden a poblaciones vulnerables*
  - *Niños, Personas Mayores, Condiciones de Salud*
- *Eventos de Distribución Pública*
  - *Niños, Personas mayores, Proximidad a flujos de aguas residuales*
- *¡Se necesitan voluntarios de la comunidad! 😊*

# Participatory Budgeting Framework and Prioritizing Incentive Funding Outreach

*Proceso de Presupuesto Participativo y Priorización de la  
Difusión de Incentivos*

# Participatory Budgeting

- **Participatory Budgeting enables community members to get informed about available public resources, engage in prioritizing the needs of their locality collectively, propose projects, investments and services and allocate resources in a community-informed and transparent way.**

# Presupuesto Participativo

- **Un Presupuesto Participativo permite a miembros de la comunidad informarse sobre los recursos públicos disponibles, participar en la priorización de las necesidades locales de manera colectiva, proponer proyectos, inversiones y servicios y asignar fondos de manera transparente e informada por la comunidad.**

# THE SPECTRUM OF COMMUNITY ENGAGEMENT TO OWNERSHIP

## EL ESPECTRO DESDE LA PARTICIPACION COMUNITARIA HASTA LA APROPRIACION

IGNORAR

INFORMAR

CONSULTAR

INVOLUCRAR

COLABORAR

DEFERIR A

# Principles

- **Timely.** Ensures stakeholders have enough time to review information to make informed decisions and provide meaningful feedback.
- **Accessible.** Provides access to relevant information in a linguistically accessible manner to support opportunities for community-informed decision-making.
- **Transparent.** Provides clear information on how decisions are made, when they are made, how feedback was integrated into final decisions, and frequent updates on decision outcomes.

# Principios

- **A tiempo.** Asegura que las partes interesadas tengan suficiente tiempo para revisar la información a fin de tomar decisiones informadas y brindar comentarios significativos.
- **Accesible.** Brinda acceso a información relevante de una manera lingüísticamente accesible para respaldar oportunidades para la toma de decisiones informada por la comunidad.
- **Transparente.** Brinda información clara en como las decisiones se toman, cuando se toman, como se incorporan los aportes en las decisiones finales, y actualizaciones frecuentes sobre los resultados de las decisiones.

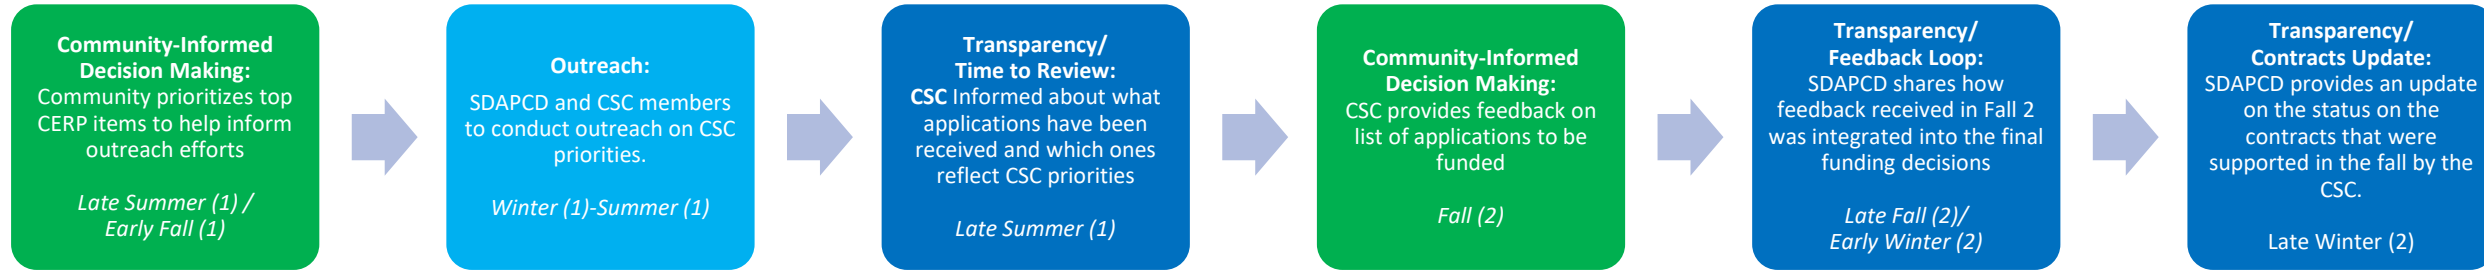

# Parameters

- **Funded applications must comply with the AB 617 funding requirements.**
- **Cannot spend more than what SDAPCD has in AB 617 incentive funding.**
- **There is a finite amount of time to spend the money.**
- **The role of the CSC is advisory.**

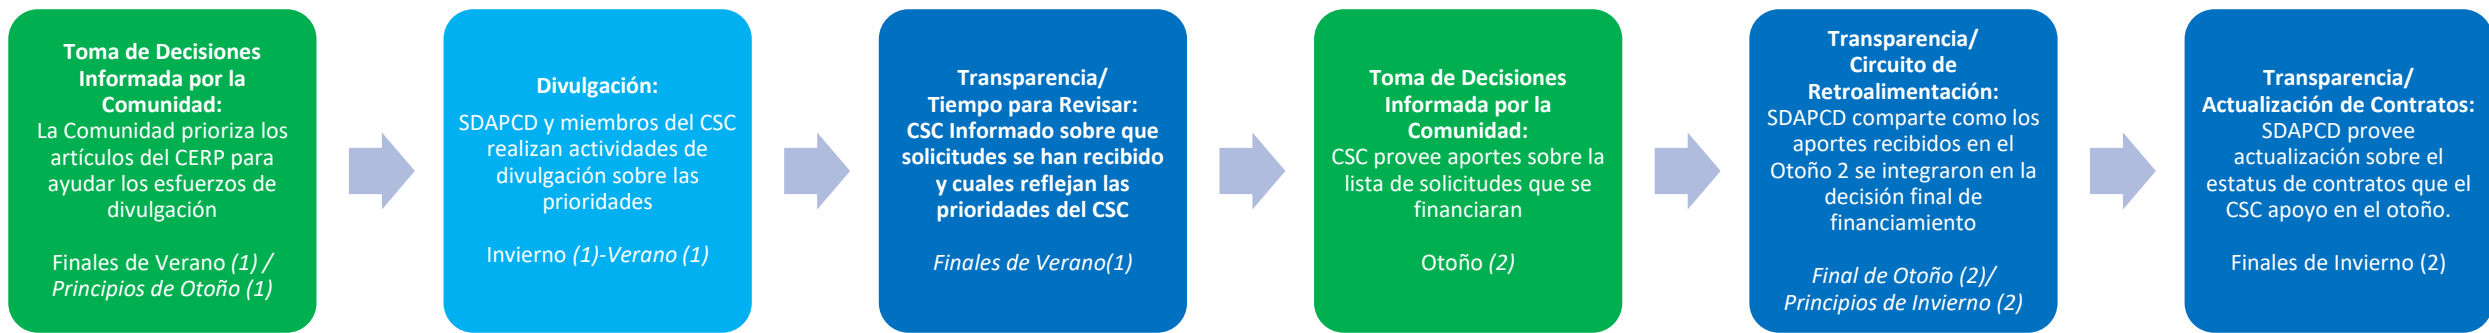

# Parámetros

- **Solicitudes financiadas deben de cumplir con los requisitos de financiación de AB 617.**
- **No se puede gastar mas de lo que SDAPCD tiene en fondos de incentive AB 617.**
- **Hay un tiempo limite donde se tienen que utilizar los fondos.**
- **El rol del CSC es consultivo.**

# Process

# Proceso

# What the outreach prioritization process **does** and **does not do**.

## **DOES**

- Informs targeted approach to who is engaged via phone calls, emails, meetings, flier distribution, etc.
- Informs what fact sheets and informational resources are developed

## **DOES NOT**

- Does not exclude entities that are not prioritized for outreach in applying for and receiving AB 617 funds if eligible
- Does not delay the funding, but follows the current solicitation and distribution timeline

# Que **hace** y **que no hace** el proceso de priorización de divulgación

## **HACE**

- Informa sobre el enfoque específico para quienes participan a través de llamadas telefónicas, correos electrónicos, reuniones, distribución de folletos, etc.
- Informa sobre que hojas informativas y recursos informativos se desarrollan

## **NO HACE**

- No excluye a las entidades que no están prioritizadas para la divulgación al solicitar y recibir fondos AB 617 si son elegibles
- No retrasa la financiación, sino que sigue el cronograma actual de solicitud y distribución.

# Incentive Funding: Outreach Priorities//

## Financiamiento de Incentivos: Prioridades de Divulgación

### ***AB617 Incentive eligible projects:***

- Air Filtration (schools and residences)
- Trees/Vegetation Barriers/Urban Greening
- Electric vehicle charging stations (at schools and in the community)
- School flag programs
- Paving dirt roads/streets
- Sidewalk, bike path projects
- Low or zero emission truck and bus replacements
- Low or zero emission Off-road vehicle replacement (e.g. construction vehicles)
- Zero emission passenger vehicle rebate programs
- Locomotive replacement

### ***Projects that would need incentive program changes/approvals:***

- Traffic route signage/enforcement
- Transit passes
- E-Cargo bikes
- Solar/wind power projects (typically only funded when connected to EV charging)

### ***AB617 Proyectos elegibles para incentivos:***

- Filtración de aire (escuelas y residencias)
- Árboles/Barreras vegetales/Reverdeamiento urbano
- Estaciones de carga de vehículos eléctricos (en escuelas y en la comunidad)
- Programas de banderas escolares
- Pavimentación de caminos/calles de tierra
- Proyectos de aceras, ciclovías
- Reemplazos de camiones y autobuses de bajas o cero emisiones
- Bajas o nulas emisiones Sustitución de vehículos todoterreno (por ejemplo, vehículos de construcción)
- Programas de reembolso para vehículos de pasajeros de cero emisiones
- Sustitución de locomotoras

### ***Proyectos que necesitarían cambios/aprobaciones en el programa de incentivos:***

- Señalización/aplicación de rutas de tráfico
- Pases de transporte público
- E-Bicicletas de carga
- Proyectos de energía solar/eólica (por lo general, solo se financian cuando están conectados a la carga de vehículos eléctricos)

# Next Meeting

## *Próxima reunión*

**Next Meeting: January 15, 2025**

***Próxima Reunión: 15 de enero 2024***
