Outreach and Engagement

Alcance y participación

12%

of low-income residents currently live within a half-mile of a commuter rail, light rail, or *Rapid* transit stop

12%

de los residentes de bajos ingresos viven actualmente dentro de media milla del tren suburbano, tren ligero, o de la parada de transporte público de Rapid

almost

25,000

people were killed while walking
in the U.S. between 2016 and 2019

casi

25,000

personas murieron mientras
caminaban en los EE. UU. entre
2016 y 2019

80%

of commuters drive alone to and from work, worsening congestion during peak commute hours

80%

de los viajeros conducen solos hacia y desde el trabajo, empeorando la el congestionamiento vial durante las horas pico

41% of greenhouse gas emissions come from passenger cars and trucks

41% de las emisiones de gases de efecto invernadero vienen de vehículos de pasajeros y camiones

seas are expected to rise

2.5ft by 2050

se espera que los niveles
del mar se eleven

2.5 pies para 2050

Three Challenges

- Reduce *congestion*
- Improve *social equity*
- Meet *state and federal mandates* to be **faster, fairer, and cleaner**

Tres desafíos

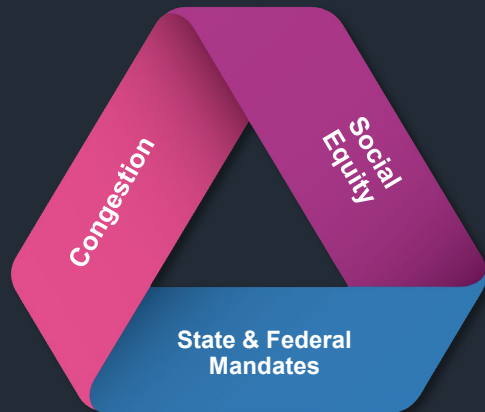

- Reducir *la congestion*
- Mejorar *la equidad social*
- Cumplir con los *mandatos estatales y federales* para ser más **rápidos, más justos y más limpios.**

San Diego
FORWARD

Legislative Mandates: State and Federal

Mandatos legislativos: estatales y federales

SB 375 and Air Quality: meet regional greenhouse gas emissions reduction target and Clean Air Act requirements

SB 375 y calidad del aire: cumplir con el objetivo regional de reducción de emisiones de gases de efecto invernadero y los requisitos de la Ley de Aire Limpio

Title VI: compliance with federal civil rights requirements and environmental justice considerations

Título VI: cumplimiento de los requisitos federales de derechos civiles y consideraciones de justicia ambiental

CEQA and SB 743: shift to vehicle miles traveled to evaluate impacts of transportation projects

CEQA y SB 743: cambio a las millas recorridas por vehículos para evaluar los impactos de los proyectos de transporte **SANDAG** | 12

Draft 2021 Regional Plan Vision and Goals

*Borrador de
Visión y Metas
del Plan
Regional 2021*

VISION

***A fast, fair, and clean
transportation system
and a resilient region***

GOALS

- The efficient movement of people and goods
- Access to affordable, reliable, and safe mobility options for everyone
- Healthier air and reduced GHG emissions regionwide

VISIÓN

***Un sistema de transporte
rápido, justo y limpio y una
región resiliente***

METAS

- El movimiento eficiente de personas y mercancías
- Acceso a opciones de movilidad asequibles, confiables y seguras para todos
- Aire más saludable y emisiones de GEI reducidas en toda la región

5 Big Moves

Inter-reliant strategies that work as one and enhance each other

5 Grandes Movimientos

Estrategias interdependientes que funcionan como una sola y se mejoran entre sí
