POLLUTION CONTROL DISTRICT**

Notice, pursuant to Public Resources Code Section 21092 and California Code of Regulations Title 14 Section 15072, is hereby given that the San Diego County Air Pollution Control District (APCD) is proposing to adopt a Negative Declaration addressing Eternal Hills Cemetery Association, based on Initial Study findings prepared pursuant to the provisions of the California Environmental Quality Act.

The APCD has received an application for an Authority to Construct and Permit to Operate to modify an existing crematory operation, Eternal Hills Cemetery Association, located at 1999 El Camino Real, Oceanside CA 92054. APCD, acting as lead agency, has completed an Initial Study for the proposed project. The Initial Study found no substantial evidence that the proposed project would have a significant adverse effect on the environment.

The 30-day review period commences on January 15, 2025 and ends on February 17, 2025. All comments must be submitted in writing or via e-mail and received at the APCD office by 5:00 p.m. on February 17, 2025.
